

Questions and Answers

RFA 16001 – Behavioral Health Pre-Qualification

Question 1: Prior to completing the application I would like to verify that my agency is eligible to apply. If we do not directly provide services, but contract services out to an agency that has been previously awarded contracts with BBHC are we eligible to apply?

Answer 1: *No, in order to be eligible to apply to this RFA the provider must be a non-profit agency that provides direct services.*

Question 2: If an organization is a non-profit; however, the organization have a fiscal agent which it's profit would the application be accepted for this RFA?

Answer 2: *Yes, as long as the agency applying is a non-profit the application will be accepted.*

Question 3: If a non-profit organization is in the process of obtaining substance abusing licensing as a organization, would this non-profit organization still be able to apply for this RFA in the current state?

Answer 3: *Yes, as long as the non-profit agency submits evidence that the application has been submitted to the state.*
